The proceedings were here interrupted by cries of "hear."

Attorney-General Webster—Why those Attorney-General Webster—Why those 'hears'. The theological Presiding Justice Hannen threatened if order was not maintained he would have the court room cleared. He said he understood O'Brien did not consider the shooting at Manchester murder, but he wished to remind him that the court did so regard it. O'Brien said he and Redmond invited Ford to be present at the Chicago convention.

As proof of the change in feeling wrought by Gladstone, O'Brien cited the fact that Ford seemed to regard his former views and appeared to be harmless. This concluded O'Brien's testimony.
